

## Attention Farmers!

Thinking about reducing energy use - and lowering fuel bills - on your farm?  
Do you have energy-saving measures in place and are interested in renewable energy systems?

Join farmers, local installers and energy contractors at the:

## *Farm Energy Networking Event*

### Monday, October 17th

### 4:00-6:30 p.m.

Bramble Hill Farm  
593 South Pleasant Street  
Amherst, MA

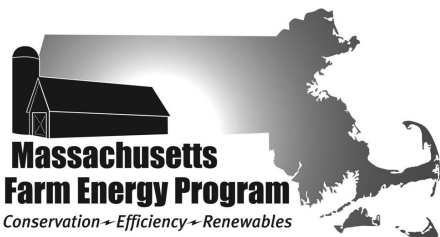

While you are here, you'll be able to pick up a copy of the **MA Farm Energy Best Management Practices Guide**, explore funding opportunities with state and federal agency reps, learn about implemented projects, and share experiences with other farmers.

**Limited Spaces are available,  
so please RSVP\* by October 12th**  
to (413) 256-1607 or [info@berkshirepioneerred.org](mailto:info@berkshirepioneerred.org)

*\*Please include name(s), farm name, sector, and technology interests in RSVP.*

This event is sponsored by:

**Get a copy of your own on October 17th!**
